IMPORTANT COVID-19 CHANGES

COVID-19 & SU REGISTERED CLUBS
Due to the ongoing COVID-19 pandemic, the requirements and expectations for SU Clubs have had to change and adapt. Some of our regular programs and services will look different this year. The Clubs Manual has been updated throughout, however, some of the information contained in the Clubs Manual may not apply in the same ways as previous years.

We in the Clubs Office greatly appreciate the passion clubs bring to our campus community, as well as your patience and understanding as we work to keep everyone safe and healthy. If you have any concerns regarding COVID-19 and your club’s operations, please email the Clubs Office at clubsoff@ucalgary.ca. We’re here to support you!

Due to the evolving nature of COVID-19 and public health orders, restrictions and guidelines, content of the Clubs Manual may change throughout the year as we continue to adapt. Please watch for any updates online to ensure you have the most recent information!

MANDATORY DEADLINES & REQUIREMENT CHANGES
You can find specific changes, such as dates/deadlines, here in the Clubs Manual.

- **ClubHub 101** sessions will be available as online video tutorials with an accompanying quiz component. Two Executives from each club must complete the sessions.
- **Clubs Insurance** remains unchanged.
- **Club Events** must now be submitted **15 business days (3 weeks)** before the event date. There are now additional requirements in the ClubHub event submission form to ensure safety of event attendees and adherence to COVID-19 public health orders.

OTHER COVID-19 CHANGES TO CLUB OPERATIONS

- Many **on-campus venues** for club events (including Clubs Spaces, MacEwan Conference & Event Centre rooms such as That Empty Space, Cassio A/B, etc.) remain closed to the public until further notice. **Clubs Manual pages 8-14 may not apply**, depending on individual venue statuses and requirements.
- **Club lockers, the display case, and trifold storage areas** remain closed to the public until further notice.
- Some changes to **SU Club Funding** have been implemented, and **Clubs Manual pages 15-17 may not apply**, depending on the type of funding and current requirements. Changes include:
  - Special Event Funding has been **temporarily suspended**, until further notice.
  - **Last-Minute Funding now requires 15 business days’ notice** for the $200.00 category, up from 10. The $400.00 category still requires 20 business days’ notice before the event.
  - Changes to what is **eligible for reimbursement** have been implemented for Last-Minute Funding (personal protective equipment, sanitizer, etc. are now **eligible items**) and Food & Beverage Funding (self-serve/buffet-style or shared food and beverage items are **no longer eligible expenses**).

INTRODUCTION

STUDENTS’ UNION (SU)

The SU is made up of elected student government (SLC) and administrative staff, and provides essential services for students. The SU is the students’ voice on the quality of education, student life, and the affordability and accessibility of your university education. Most importantly, the SU believes clubs are one of the best ways to enhance your experience at the UCalgary. Visit the SU Website to learn more.

REGISTERED CLUBS

SU Registered Clubs are autonomous, and provide student-run initiatives intended to improve student life at UCalgary. Although student groups or clubs do not need to register with the SU to exist on campus, registering your organization with the SU provides access to freebies, perks, services, and other benefits.

CLUB AUTONOMY

All SU Registered Clubs must adhere to the Registered Club Agreement. The SU recognizes the autonomy of Registered Clubs and acknowledges the freedom granted to Student Organizations to establish, interpret, and practice their own governing documents, provided that they act in compliance with said governing documents and practice good governance. The expressed views and activities of Registered Clubs do not represent the views of the SU or current elected officials. The SU reserves the right to revoke the status of a Student Organization for not complying with SU policies and procedures, or that of their own governing documents. While SU employees are here to help if an issue arises, the SU does not have the authority to adjudicate inter-club, intra-club, or interpersonal conflict and will refer these matters to the appropriate campus resource.

CLUBS COMMITTEE

The Clubs Committee (CC) is a standing committee composed of elected student representatives from the Students’ Legislative Council. They establish principals and strategies for how the SU supports clubs.

The Clubs Committee is chaired by the Vice President Student Life (VPSL) and consists of six elected members of the Students’ Legislative Council (SLC) who are appointed every semester. The scope of the Clubs Committee’s authority is outlined in their Terms of Reference.

THE CLUB OFFICE — CSO & ASO

The Coordinator, Student Organizations (CSO) is a full-time SU staff member who administers club programs by working with the CC and VPSL. Monique Dyson is your CSO (also known as “Clubs Coordinator”). The CSO is an advocate for SU Clubs and a resource for useful information!

The Assistant, Student Organizations (ASO) is a part-time SU staff member who provide support to SU Clubs through room bookings, risk management, in-person help and more. Come by the Clubs Office and say hello!

SU REGISTERED CLUB EXPECTATIONS

REGISTERED CLUB AGREEMENT

All SU Registered Clubs must adhere to the Registered Club Agreement in order to access SU funding and services. This acknowledgement is completed digitally through the online registration process.

CLUB CONSTITUTIONS

Each club that registers with the SU must have a Club Constitution (or Bylaws) which acts as a governing document for the organization. This provides a framework and establishes rules for how your club operates. These structures and rules help to prevent and resolve conflicts and ensure consistency in how your club will operate over time. If questions or conflicts within a club arises, the CSO will refer to the version of this document that the SU has on file to help club executives find a solution. If a new version is approved by your club’s members, this must be submitted to the SU within two weeks of the ratification.

FROZEN STATUS

Clubs that miss a mandatory deadline or violate the terms of registration will be placed on Frozen Status (FS). Clubs with FS status will have limited access to SU funding and services.

Clubs that are on FS will have 30 days to come into compliance with the Registered Club Agreement, unless otherwise stated by the CSO. After 30 days, the club may lose registered status with the SU. Any club that loses their registered status will become Locked and may apply to re-register their club within one year. After this one year is up, the club’s ClubHub portal will be removed and access to any previous club documents and information will be lost.

WHY IS MY CLUB FROZEN?

- Didn’t complete the Annual Report by the deadline (end of April) or Didn’t provide necessary in formation on the Annual Report
- No longer meets minimum membership requirements (min. 20 members, 2/3 of whom must be undergraduate U of C students)
- Didn’t complete annual Insurance Form by the deadline (mid-October)
- Didn’t have two club representatives complete Fall ClubHub 101 sessions (FS until January)
- Didn’t send two club representatives to a January ClubHub 101 session (FS until April, only applicable to new clubs or clubs that didn’t attend a September session)
- Violated terms of use of a space operated by the SU
- Violated Club Constitution

DIVERSITY AND CONDUCT

SU Registered Clubs are expected to be kind to each other, to their members, and to the SU. See Appendix B for the SU’s stance on diversity and respect. See the Club Conduct Process for more information on the SU’s non-academic misconduct policy.
MANDATORY REQUIREMENTS

ALL SU CLUBS MUST COMPLETE THE FOLLOWING EVERY YEAR:

<table>
<thead>
<tr>
<th>REQUIREMENT</th>
<th>DESCRIPTION</th>
<th>DEADLINE</th>
</tr>
</thead>
<tbody>
<tr>
<td>ClubHub 101</td>
<td>ClubHub 101 is a mandatory online training session that covers how to navigate ClubHub and access SU funding and services. <strong>All clubs must have at least TWO (2) representatives complete the sessions in September or the club will be placed on Frozen status.</strong> New clubs or clubs who have missed the requirement can complete the January session. Representatives don’t have to attend the same session.</td>
<td>Fall: Online, available September 14; due by September 25. Winter: Due by January 14.</td>
</tr>
</tbody>
</table>
| Insurance Form & Payment | SU Clubs are covered by the SU’s General Liability Insurance for events they register through ClubHub. This insurance is liability only. Clubs are required to get their own additional insurance for property damage liability or personal injury. The cost of the SU’s policy depends on what you need:  
  • Non-alcohol events, on-campus: $0/year  
  • Non-alcohol events, off-campus: $25/year  
  • Events with alcohol: $50/year | October 16 at 4:30pm  
  All clubs will need to fill out their insurance form and complete any payments before their first event. Insurance may be upgraded at any time during the year. |
| Annual Report | The Annual Report needs to be completed by all SU Clubs each year in April. The Clubs Office will post a ‘How To Guide’ for step-by-step instructions on ClubHub when | April 30 at 4:30pm  
  (Opens at the end of March) |
| Event Approval | Clubs must submit a ClubHub Event Request with at least three weeks’ notice of the event for the SU insurance to be effective. Failure to disclose all of the activities at a club event can result in Frozen status. | Ongoing  
  3 weeks’ notice for all club events |

EXECUTIVE TRANSITION

Set your club up for success! Make sure to let your incoming executives know about these mandatory deadlines so the club doesn’t go on Frozen Status. Communicating these mandatory deadlines to other executives helps the club ensure it will stay registered with the SU.
WHAT IS CLUBHUB?

ClubHub is the online management software for SU Clubs. SU Clubs have their own ClubHub “portals”. Here, clubs can submit requests for events, spaces, funding, free pop, and more. ClubHub is a great platform to organize and manage your club and communicate with the CSO. New clubs and clubs on Frozen or Inactive Status do not have access to all of the resources on ClubHub.

CLUBHUB INTRODUCTION

ClubHub will be a bit different than previous years, as the ClubHub platform has been updated as of June 26, 2019. For more information on why we updated ClubHub, please check out our Executive guide to Summer 2019 Updates.

CLUBHUB NAVIGATION

Navigating ClubHub will be critical for your club’s success. In order to familiarize yourself with the new ClubHub portal, take a digital tour by checking out the following video that will break down what ClubHub will look like for your members as well as how you can manage your portal as a Club Executive.

ORGANIZATION ROSTER & COMMUNICATION

As part of the ClubHub transition, it will be your responsibility as an Executive team to ensure that your Club Executives have the proper positions with the necessary administrative access. A notable difference from the old ClubHub is that Clubs will contact the email of whomever you have nominated as your primary contact through the “contact” button. For a guide on how to update your primary contact, contact your members, create executive positions, approve/deny membership requests, etc. Check out the following Engage guide under “Organization Rosters” and the SU’s Exec Guide.

EVENT MANAGEMENT & FORMS

Event Management continues to be operated on ClubHub and is mandatory for all Club events: more information is available on page 8. Event submissions can only be made through the “Action Centre” or “Manage” area of ClubHub for your club, and requires Executive access to your club. Use this Engage guide for more information.

Forms are available as soon as you log-in to the portal next to “news” and can be submitted from your individual account. Please be sure to declare what Club you are applying on behalf of. For more event and form specific ClubHub navigation, including creating events check out the Engage Guide and Exec Guide.

Pro Tip: You can see your recent ClubHub activity and modify your settings by clicking on your name in the upper right-hand corner. This is where you will go to submit your change requests for funding and/or event applications.
EVENT REQUESTS

All clubs must submit an Event Request form on ClubHub at least 15 business days before their event date as per the SU’s insurance requirements. The SU’s General Liability insurance covers claims up to $1 million with a deductible of $2,500. Leaving out event details or not submitting event requests results in FS status. ClubHub events must be approved before the event.

If your event involves travel outside the city or potential physical risks, the CSO may create a waiver for your participants to sign before the event starts. Waiver administration procedures can be found here. If your event is issued a Waiver, it is mandatory to have participants sign a physical copy. Electronic submissions will not be accepted. Clubs can drop-off signed Waivers to the Clubs Office (MSC 279B) during Office Hours.

ON-CAMPUS EVENTS ($0/year insurance)

There are a lot of free spaces available on campus for clubs to hold their events (check the next page for details), and insurance for holding events on-campus is free. You’ll need to receive a booking contract to secure a space on campus—a ClubHub approval does not book you a space.

OFF-CAMPUS EVENTS ($25/year insurance)

Even if your event is off-campus, you must submit an event request for it. Events at private residences will not be covered under the SU insurance policy, will not be approved on ClubHub, and should not be promoted as “club” events.

EVENTS WITH ALCOHOL ($50/year insurance)

If your club is hosting an event where alcohol will be served, the correct insurance must be paid and at least two executives must have their Pro-Serve Certification and be present and sober at the event.

Getting your Free Pro-Serve:

- Send the names and personal email addresses of the execs you want certified to proserve@ucalgary.ca
- Once you receive the registration code, you have 30 days to complete the course and exam
- Once certified, make sure to include your certification number on Event Requests

Whether your event is held on-campus or off-campus, the University of Calgary Alcohol Policy rules and regulations apply. The Den, Black Lounge, Red Room, MCEC Conference Rooms, Last Defence Lounge, Red & White Club, and several other venues are covered under the University of Calgary’s liquor license.

If the event will be held off-campus, the club will also be asked to provide a Certificate of Insurance from the venue with some additional insureds listed on the certificate.

Certificate of Insurance Additional Insureds:

- Name of the club
- The Students’ Union, The University of Calgary, and the Board of Governors of the University of Calgary (2500 University Drive, NW, Calgary AB T2N 1N4)

An event or fundraiser that promotes alcohol consumption as the primary activity, or does not support the University of Calgary harm reduction and abstention initiatives, will not be approved.

*More information on Special Event Funding and Last-Minute Funding is available on the next page

GENERAL GUIDELINES
The Student Organization Funding and Services Procedure (SOFSP) details the criteria established by the Clubs Committee for the distribution of funding.

General Funding Guidelines:
• All SU Club Funding is 75% of total budgeted expenses (or net budget deficit (loss), whichever is less) Events that make a profit during the event are not eligible for funding.
• All SU Club Funding is reimbursement only
• Valid itemized receipts are necessary for all reimbursements—these are submitted online (JPEG, PDF, PNG files are ok). Non-itemized receipts will not be accepted.
• Gratuity and Tips are not eligible funding expenses.
• Reimbursement is done by direct deposit to club bank accounts, which means we need a recent (within 3 months) club bank statement or void cheque with the branch number, transit number, account number, and club name clearly visible.

SCREENS IN MACHALL

The LOOP is operated by the SU. There are 10 TV screens throughout MacHall that use the LOOP. Use the ClubHub form online to request free ad space for your upcoming club event!

There are another 10 screens in MacHall that are operated by NUTV. Check out the **NUTV Screen Style Guide** to find out how to get your ad on their network.

DISPLAY CASE

Do you have an event you want to promote and show off to the campus community? Your club can rent out the Display Case (beside the Stör) for up to 2 weeks per semester (2 weeks in a row or 1 week at a time). Rules and **request forms** are available on ClubHub. Reservations are first-come, first-served basis.
**STORAGE**

**CLUB LOCKERS**

The SU provides over 190 lockers of various sizes to clubs during the Fall and Winter semesters in the Clubs Areas. These lockers are allocated on a first come, first served basis. A Locker Request Form opens on ClubHub every August. Submit your Locker Request Form early, as locker sizes are subject to availabilities! **Clubs may only request one locker per academic year.** Check out the Club Locker Terms and Conditions for more information.

**CLUB TRIFOLD STORAGE**

Club trifold storage is located in the West Clubs Area and Clubs East. The CSO does their best to keep trifolds organized alphabetically, but this sometimes doesn’t happen throughout the year! You can help by making sure to respect these spaces and keep them tidy.

**OTHER SU CLUB RESOURCES**

**CLUBS WEEK**

Clubs Week happens twice a year and is sponsored by ATB, it occurs once in the beginning of the Fall Semester and again in the beginning of the Winter Semester. It’s a great opportunity to showcase your club, get new members, and recruit Jr Executives to ensure your club’s longevity. Details are available on ClubHub at the beginning of each semester. Club table requests are available before Clubs Week on the Forms tab.

**JUNIOR EXECUTIVE PROGRAM**

Dozens of successful clubs already have Jr Execs. The Junior Executive Program encourages clubs to recruit interested first year (or any other year) students as “executives in training”. These team members will be trained by current execs and become invested in your club to potentially become a full executive once they’re (and you’re) ready. Not sure where to get started? Check out this Jr Exec Step-by-Step Guide for how to start your Junior Executive experience.

By participating in the Junior Executive Program, your Jr. Executive will be eligible for the Outstanding Jr Executive Award and your club will be eligible for the L.O.V.E. (Longevity, Ongoing Vitality & Engagement) Club Award.

OTHER SU CLUB RESOURCES

CLUB MEMBER CONDUCT

Appendix B defines discrimination and harassment and sets expectations for respectful, diverse, and safe spaces. All students are bound by the University’s Conduct policies. Neither the SU nor club executives can interpret or enforce university policies, but by working together we can address any concerns brought to us by club members by directing them to the right resources to help resolve conduct concerns.

If you are being harassed, sexually harassed, or discriminated against, talk to a club executive or the CSO. If a club member tells you about an incident involving another member or at a club event, it is your responsibility to let a club executive know. Executives must inform the CSO if a club member reports misconduct. In either case, take appropriate action immediately to resolve the issue and prevent it from escalating by following these recommendations:

• Keep a record of the misconduct and anyone who may have witnessed it. Write down details.

• If you feel comfortable doing so, communicate your concerns to the offending party. Tell them the behaviour is unwelcome and ask that it stop. This can be done in person or in writing, but it doesn’t have to be your first step. Save copies of any communication you send or receive related to the concern.

• Contact the Coordinator, Student Organizations (clubsoff@ucalgary.ca or 403-220-2233). They will help direct you to the appropriate resource.

• Clubs should not mediate or adjudicate conflict on their own. Alleged student misconduct (including violations of the Student Non-Academic Misconduct Policy, Sexual Violence Policy, or Harassment Policy) should always be referred to the Student Conduct Office via the CSO for resolution.

• The CSO may recommend contacting on-campus resources, including:
  - Campus Security / Safewalk (safewalk.request@ucalgary.ca or 403-220-5333)
  - The University’s Student Conduct Office (conduct@ucalgary.ca or 403-210-3868)
  - The University’s Office of Diversity, Equity, and Protected Disclosure (403-220-4086)
  - The University’s SU Wellness Centre (403-210-9355)
  - The University’s Sexual Violence Support Advocate (403-220-2208)
  - The University’s Women’s Resource Centre (403-220-8551)
  - The Distress Centre (off-campus resource) (403-266-4357)
  - The Calgary Sexual Assault Response Team (off-campus resource)

It is the club executive’s responsibility to ensure that all club members (student and non-student) are aware of the University of Calgary Sexual Violence, Harassment, and Student Non-Academic Misconduct Policies. If, at any point, a member is the subject of an investigation related to a complaint under one of these policies, the Student Conduct Office may recommend that their attendance at club meetings or events may be restricted until the matter is resolved.

The club agrees to abide by and comply with any decision or determination.

The club understands and agrees that any funding and services made available to student organizations is subject to the availability of funds, equipment, or space as provided for in the SU’s annual budget and other Union Policy. APPENDIX B: DIVERSITY, EQUITY, AND SAFE SPACES

The Students’ Union values all students and is committed to providing them with a positive environment for all aspects of the student experience, including club participation. Discrimination and harassment are prohibited by law and by university policy and will not be tolerated. Any behaviour that threatens a fellow club member’s dignity and worth is unacceptable. It is everyone’s responsibility not to harass others and contribute to a harmonious atmosphere in the clubs area.

**Discrimination**

Whether intentional or unintentional, discrimination is unfair, differential treatment of individuals and groups based on prejudice, stereotypes, ignorance, and fear, for which there is no bona fide or reasonable justification and which imposes burdens, obligations, or disadvantages on individuals or groups. All clubs must acknowledge the following membership disclaimer:

*You may not restrict membership based on a group characteristic such as age, ancestry, colour, family status, marital status, physical or mental ability, place of origin, political belief, race, ethnicity, religion, sex, gender identity or expression, or sexual or romantic orientation, unless it can be proven to the reasonable satisfaction of the Clubs Committee that the membership restriction is intended to protect members of a group who share the same protected characteristics.*

**Harassment**

Harassment is a form of discrimination which involves unsolicited and unwelcome attention from a person who knows or reasonably ought to know that such behaviour is unwelcome. Such unwelcome comment or conduct is intimidating, threatening, demeaning, or abusive and may be accompanied by direct or implied threats to grades, status or job. Harassment has the impact of creating a hostile or poisoned work or study environment and limits individuals in their pursuit of education, research or work goals. Harassment can be discriminatory, sexual or personal in nature.

Consistent with the *Alberta Human Rights, Citizenship and Multiculturalism Act*, the University of Calgary prohibits discrimination and harassment on the following grounds: race, religious beliefs (including native spirituality), colour, gender, gender expression, physical or mental disability, age, marital status, family status, ancestry, place of origin, source of income, sexual orientation or political beliefs.
